Introduction

The following matters have been raised to draw items to the attention of Hope Community Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2017.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Minor issues
 - Internal auditor's recommendation
-

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

Minor issues

What is the issue?

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

Section 1 of the annual return does not add up by £1.

The comparative figures disclosed in Section 1 of the Annual Return do not agree to the audited Annual Return for the year ended 31 March 2016. The comparative figures for the year ended 31 March 2016 were restated. We have reviewed the adjustments made and we are satisfied they are correct.

Why has this issue been raised?

This is to draw these minor errors to the attention of the council.

What do we recommend you do?

The council should ensure in future years that the above minor errors or omissions are not included in the Accounting Statements.
