254. Planning Applications

[Ref: 063994](#). A community noticeboard (metal) for council and community information. Telephone Box outside Corner Ways, Hawarden Road, Caergwrle.

Further to the council submitting a planning application for a noticeboard to be installed in Abermorddu, objections had been received which the council felt should be considered as soon as possible.

Details of the objection were provided to all members and Cllrs Davies and Cunnah also provided verbal reports.

Information had been sought from FCC as to what options the council had regarding amending the current application, however, this would only allow very slight amendment and therefore any major changes e.g a new location would require a new application and incur a further planning application fee.

RESOLVED: the council will withdraw the current planning application for the installation of a noticeboard at the Telephone Box outside Corner Ways, Hawarden Road, Abermorddu.

The meeting of the Council began at 6.30pm and ended at 6.55pm

Chairman: 2nd March 2022
